Feature Packed, Easy to Use, and Just \$39!

Our Easy Presenter provides complete PowerPoint and Keynote control -- including audio control -- plus a laser pointer. There is no software to install. Just plug the receiver into the USB port on your PC or Mac and it begins working within seconds.

Easy Presenter functions include:

- launch presentation (F5)
- slide forward / slide back
- hide slide
- quit presentation (ESC)
- volume up / volume down / mute
- laser pointer

Features

- RF Connectivity: 433 Mhz RF signal works to 60 feet or more -- even through walls and furniture
- Audio Control: Now that audio is common in presentations, volume buttons are essential on a remote
- Laser Pointer: Highlight details of your presentation with ease
- Travel Pouch: Convenient for carrying the remote, receiver and a spare battery when on the road
- On/Off Switch: Prevents accidental battery drain when not in use
